

Waldorf School at Moraine Farm Aftercare Programs 2016-2017

Aftercare Programs serve the families of our school community by offering a home-like environment for Nursery through Fifth Grade students after the school day is ended. The programs are based on the same nurturing, pedagogical impulses that guide the child's day at school. They provide a restful contrast to the busy school day – time to unwind, to digest school subjects and to “breathe out” socially. The intent is not to structure this time with a whirlwind of activities, but rather to provide a secure daily rhythm within which the child is free to explore options.

Each program has a minimum and a maximum per day to run. The schedule follows the rest of the school calendar regarding holidays, snow days, and professional days.

Sweet Pea: Nursery & Kindergarten from 1:00 – 2:45 pm
